Free APISAA therapist support group

Teresa Lee, MD, and Robert Hsiung, MD, co-lead a monthly support group for Asian Pacific Islander South Asian American identified therapists to gather and gain support around their experiences that range from race and culture to their more individual thoughts and struggles. Come meet those from other states and time zones!

Every 4 wks: 1/14, 2/11, 3/11, etc
11:30 AM-12:45 PM EST
Register: http://www.dr-bob.org/monthly

If interested and unable to make this day/time, please contact us as we may add new groups in the future.
